

On behalf of our Board and our leadership team, Sakku Investments Corporation is pleased to share that a new Kivalliq Larga facility will be available in Winnipeg for clients travelling for medical services. Further details and a formal announcement will be made in the coming weeks. We'd like to thank the board of the Kivalliq Inuit Association and our Board at Sakku Investments Corporation for their support and direction on this exciting development. We'd also like to thank the Government of Nunavut for allowing us the opportunity to provide this important service to Kivallirmiut. A transition period is underway. Stay tuned for more on this exciting news!
