VICE PRESIDENT OF HEALTH SERVICES

Sakku Investments Corporation is seeking a dynamic and experienced Vice President of Health Services to oversee and enhance our healthcare related operations and services. This leadership role involves strategic planning, operational management, and collaboration with key stakeholders to promote innovative healthcare solutions, improve patient outcomes, and ensure compliance with regulatory standards.

Responsibilities:

- Lead strategic planning and delivery of Inuit-centered health and community care services, fostering relationships with community health partners and providers.
- Develop and manage strategic partnerships within the health sector to achieve performance objectives and integrate new programs and services.
- Monitor project progress, analyze outcomes, and provide reports to management, focusing on employment and training opportunities.
- Advocate for Inuit employment and training programs in collaboration with educational institutions and health care partners.
- Ensure compliance with corporate obligations and maintain accurate documentation for resource allocation and project implementation.

Qualifications:

- Bachelor's Degree in Health, Business Administration, or a related field, with a minimum of 5 years of relevant experience.
- Strong analytical, organizational, and planning skills, with proficiency in statistical analysis and proposal writing.
- In-depth knowledge of healthcare policies, trends, and legislation, with the ability to interpret and communicate effectively.
- Proven experience in project and resource management, particularly within Inuit communities and cultural contexts.
- Exceptional communication, leadership, and interpersonal skills, with a commitment to fostering inclusive teamwork and community engagement.

COMPETITION CLOSES: November 27, 2024

- starting salary \$175,000.00, Northern allowance \$8,000.00 and Housing allowance \$16,000.00 (based on eligibility)
- Housing is available for this position and allocation is based on needs
